Out of respect for the graduates and the ceremony we are about to celebrate,
please turn off the audible signal on all watches, cell phones, and electronic devices.
Thank you.

While every effort is made to ensure the accuracy of this program, printing deadlines and other factors sometimes prevent inclusion of graduates' names or may result in publication of names of individuals who have not completed graduation requirements. This program, therefore, should not be used to determine a student's official academic or degree status, and the university makes no representations as such and further reserves all rights to amend, alter or delete the contents of this program at any time.

This program was produced by the Office of the Registrar and the Office of Integrated Marketing and Communications in cooperation with the Office of the President.

THE PRESIDENTIAL MEDALLION

The University of Central Missouri's Presidential Medallion was introduced during the inauguration ceremony for UCM's 16th president Dr. Roger J. Best on April 18, 2019. Designed by staff in the Office of Integrated Marketing and Communications, the nickel silver, antique finish medallion features as the central focal piece a three-inch in diameter round medal that includes the university's academic logo with

the year of the institution's founding in 1871, and the motto "Education for Service." Other components include two 1.5-inch diameter university seals, and curved banners that are linked together and list the names of each university president who served the institution since its founding and their years of service. The medallion is to be worn at ceremonial functions including commencement ceremonies.

THE UNIVERSITY MACE

The University Mace was designed and produced for the inauguration of Dr. Ed Elliott as president in 1985.

As a historical note, maces were first used during Roman times. The first mace was a weapon-like staff, composed of a group of reeds surrounding an axe. Mace bearers would walk in front of the person in authority. Maces were later used in England, again as symbols of authority in the court systems. The staff was carried by a judge or transported for him by a mace bearer. As the American court system developed from the English courts, the mace also became a symbol of authority in America.

The University of Central Missouri's mace is made of native walnut and bronze, and is topped with a somewhat stylized flame, which, like light, stands for truth and knowledge. Beneath the flame are inlaid disks of cardinal and black, the university colors. Continuing down the mace, a large sphere is decorated with carvings of major buildings on campus. Holding the ball are simple finger-like formations, which stand for service. The reeding, or half-columns, on the mace symbolizes tradition in education and togetherness – small parts working together to support the whole. Bronze books and mortarboards with tassels are symbols of academia and education, and bronze casts of Missouri represent UCM's home state and the citizens it serves. The handle of the mace is spiraled, which denotes growth and progression. The mace, completed with a hand-rubbed oil finish, weighs approximately 14 pounds.

The base for the staff is bronze and weighs close to 20 pounds. It is adorned with centennial medallions and Missouri mules in harness, denoting the reliable, workaday university mascot.

When not used for ceremonial purposes, the mace stands in its base in the Office of the President. The University Mace is carried at ceremonial functions by the university marshal, who precedes the university president in the processional. By tradition at the University of Central Missouri, the university marshal is the president of the Faculty Senate.

The construction of the mace was a team effort. Board of Regents member Edna Mae Whitsitt contacted Rich Monson of the Art Department for design assistance. Monson developed several designs, and a committee consisting of Ophelia Gilbert, Alice Gower, Monson, Norma Van Zee, and Whitsitt, selected the design to be used. Jack Landers, faculty member in the Department of Manufacturing and Construction, built the walnut core of the mace. Monson and Richard Allman, Art Department, cast and assembled the bronze pieces. Robert Tompkins, Department of Physical Education, carved the frieze, and Joseph Albrecht, Manufacturing and Construction, fashioned a bronze stem to join a base that was cast by Monson and George Sample, Art Department. Additional assistance was provided by art faculty members Jerry Miller, Harold Reynolds and Billi Rothove.

ACADEMIC REGALIA

Academic regalia of robe and hood are believed to have had their beginnings at the English universities of Oxford and Cambridge during the 12th and 13th centuries. The hoods are a carryover from the times when the monks, who operated the universities, wore them to protect their shaved heads in winter or to collect alms when worn as shoulder capes.

Use of the academic robe came to the United States in 1754 with the founding of what is now Columbia University. In 1895, a commission of university officials adopted a universal code of design and color for academic garb. It has undergone various revisions, the latest in 1960. Styling of robes varies for the bachelor's, master's, education specialist and doctoral degrees and the width of border and length of hood increase with the type of degree. The color of the velvet border of the hood indicates the field of study, while the lining designates

the colors of the institution granting the degree. The gown for the bachelor's degree has pointed sleeves and is worn closed. The gown for the master's degree and the education specialist degree has an oblong sleeve, open at the wrist with the rear part of its oblong shape square cut and the front part with an arc cutaway. It may be worn open or closed.

The doctoral gown is faced with black velvet and has three bars across the bell-shaped sleeves. These facings and crossbars may be of colored velvet to represent the degree, and agree in color with the binding or edging of the hood. The tassel for the cap may be of gold thread.

The colors of representative fields are:

Arts, Letters, and Humanities	White
Commerce and Business Administration	Drab
Music	Pink
Education	Light Blue
Fine Arts	Brown
Law	Purple
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Science	Yellow

FALL 2025 UNDERGRADUATE ACADEMIC HONORS

One of the most cherished goals an undergraduate student can attain while completing the baccalaureate degree is to graduate with academic honors. To be eligible for graduation with honors, a student must have earned a cumulative grade point average of 3.50 and must have completed a minimum of 30 semester hours of credit at the University of Central Missouri with a grade average of 3.50. Those with a grade point average of 3.50 to 3.74 graduate Cum Laude; 3.75 to 3.84, Magna Cum Laude; and 3.85 and above Summa Cum Laude, based on whichever GPA is lower, their cumulative GPA or their GPA at UCM.

HONORS COLLEGE GRADUATES

Established in 1958 with just 12 students, The Honors College at the University of Central Missouri is the second-oldest program of its kind west of the Mississippi. Since its founding, it has cultivated a tradition of academic excellence, intellectual curiosity, and service.

Honors students engage in a rigorous, interdisciplinary curriculum that includes small honors-only courses, dynamic colloquia, and a faculty-mentored capstone research or creative project that represents the culmination of their studies at UCM.

Graduates of The Honors College have maintained a minimum 3.25 GPA and completed enriched academic work that is measurably broader, deeper, and more complex than typical undergraduate pathways. These high-impact learning experiences reflect national honors standards and UCM's commitment to its core values and enduring motto: Education for Service.

The Honors College graduates are:

Piper Delanie Foreman
Bryce Logan Glenn

Quin Elliot Gray
Mary Hagedorn

Jackson David Kirkpatrick
Andrew S. Long

Hunter James Ayer Ruiz
Kaedin Andrew Rust

UNIVERSITY OF CENTRAL MISSOURI ALMA MATER

Words by Mrs. Carole Grainger Gilbody, Music by Dr. William S. Stoney

UCM stands proud and noble,
Serving all who ask,
In the center of the nation
Joyful in her task;
Red and black her colors fly;
Faith and vision, dreams unite
Leading all who look for truth
To hold her honor bright,
Our beloved alma mater,
Hail to UCM.

UCM the chimes are calling,
Hear their joyful sound,
In our hearts their echoes falling,
While we gather 'round,
Striving on with purpose clear,
Loyal to the school we love,
Let us never falter
While your banner flies above,
Our beloved alma mater,
Hail to UCM.
