 High School Semester/Year of Dual Credit/Enrollment

I have read and understand The Missouri Innovation Campus dual credit/enrollment eligibility requirements and attendance expectations. I give Metropolitan Community Colleges and University of Central Missouri authority to release all information pertaining to my college enrollment to my high school, to my parent/guardian and to the MIC Business Partners.

 Student Signature Date

Parent/Guardian Approval

I approve for my student’s dual credit/enrollment at one of the Metropolitan Community Colleges campuses or University of Central Missouri Campuses. I have read and understand the high school and college eligibility that my student, as a Metropolitan Community Colleges or University of Central Missouri student, must follow. I understand that my student must follow the Metropolitan Community Colleges or University of Central Missouri calendar, policies and procedures. I give the college authority to release my student’s enrollment and grade information to his/her high school, MCC, UCM and MIC Business Partners.

 Parent/Guardian Last Name First Name Middle Name/Initial

 Parent/Guardian Signature Date

Principal/Counselor Approval

I hereby certify that this student qualifies to take the dual credit/enrollment classes under the current Missouri Innovation Campus guidelines. I understand that dually enrolled students are expected to adhere to The Missouri Innovation Campus Student Code of Conduct and, as Missouri Innovation Campus students, are subject to the Metropolitan Community Colleges and University of Central Missouri policies and procedures.
