On your 2026/2027 Free Application for Federal Student Aid (FAFSA), you indicated that at some point after you turned age 13, 1) neither of your biological or adoptive parents were living; 2) you were in foster care (even though you may not be in foster care now); or 3) you were a legal ward/dependent of the court (even though you may not be a ward/dependent of the court now.) Please note that for the purposes of awarding federal financial aid, a student who is/was incarcerated is NOT considered a ward of the court.

Your response to this FAFSA question must be verified before processing of your aid eligibility can continue. Therefore, please submit documentation verifying at least one of the above circumstances. This can be a photocopy of a legal document.

The required document or letter should be attached to this form, which must be signed and dated below. All materials should then be submitted to Student Financial Services:

- I have attached all required documents to this form. Mark this box if you should not have checked the "Orphan, Ward of the Court, or Foster Care" boxes on Question 5 on your 2026/2027 FAFSA.
