

# Immunization Information

## Requirements

- **two vaccines** against measles, mumps, rubella (MMR)
- **completed** Tuberculosis (TB) Risk Assessment questionnaire
- **for students living on campus:** documentation of at least one dose of meningitis vaccine (MCV4/MPSV4) given on or after the student's 16th birthday. **Students will not be allowed to move in until the university has a record of this vaccination.**

**Upload your records at least one month prior to your move in date!**

## Upload records

- Go to [ucmo.medicatconnect.com](https://ucmo.medicatconnect.com) >
- Log in using your MyCentral username and password
  1. Click the Immunization tab, fill out the required immunization information then click **Submit**
  2. Click the Upload tab and follow the instructions to upload your Immunization records.
  3. Click the Forms tab and complete the Tuberculosis (TB) Screening form

## Get immunizations on campus

- **Call the University Health Center to make appt.: 660-543-4770**

- For more information go to [ucmo.edu/immunizations](https://ucmo.edu/immunizations) >
