CURRENT STUDENTS COMPLETING ROOM SELECTION OR AGREEMENTS: This link will remain live for you until May 1, until we begin first-year student assignments.

INCOMING NEW STUDENTS: This link will go live at 8am on June 22 (changed from original date of the 21st) for fall semester and December 21 (approximately) for the spring semester.

You will be able to see your room assignment and roommate information.
If no roommate is listed, that means no one is assigned just yet.
Note that there are students who requested to not have their information shared.

We have tried to accommodate preferences as best as possible. Even with the best of intentions, there are students who have a preference for something other than what they have been assigned.

Please look at assignment details closely for any special notes. Check out ucmo.edu/residencehallliving to learn more about our halls and ucmo.edu/movein to learn about move in!

Roommate/Suitemate Information

Hi James!

Below is your assignment and contact information for your roommate/suitemates for the upcoming year. Please note that some students have requested their name be withheld for privacy reasons.

The letter behind your room number just signifies one of two-bed spaces in a room (residence halls). This does not dictate which furniture or placement within your room. You may discuss that with your roommate (if applicable).

The person with the same ROOM number is your roommate (if applicable). The others are your suitemates. If you are in a double room and no roommate information shows, one will likely be assigned soon. You may check back periodically for updates (You will **not** be emailed if someone is assigned)

Room Types

If your room type is listed as *Double*, you are assigned a roommate or will be assigned if one is not listed.

If your room type is listed as a *Single*, you are assigned to a room without a roommate and will be paying the single room rate. Rates are found at ucmo.edu/housingrates.
