Re: Corrective Action Plan for Informal Complaint Received October 14, 2024

Dear Mr. Joel and Ms. Muder,

I am writing to document UCM's ongoing progress regarding the Corrective Action Plan in accordance with the FAA's instructions.

We have no updates to provide regarding the specific elements of the Plan at this point. However, I am pleased to inform you that Mr. Robert Little, C.M., has been appointed as the new Airport Manager. He was selected following a national search and brings a wealth of relevant experience to this role. Furthermore, Mr. Little is an alumnus of UCM and our aviation program. He began his new role today and we are confident that he will provide highly effective leadership to the operations at Skyhaven Airport.

As I noted in my previous updates, UCM is committed to working closely with the FAA to resolve the complaint. We look forward to the opportunity to meet with you to assist us in that endeavor.

Sincerely,

Douglas R. Davenport, Ph.D.
Dean, Harmon College of Business and Professional Studies
